DETAILED ACTION

Allowable Subject Matter

Claims 20-23 are allowed.

The following is an examiner's statement of reasons for allowance:

The reference (s) of record do not teach or suggest, either singularly or in combination at least the limitation of " wherein no additional material is provided between the first conductive material that fills in the contact hole in the first insulating film and the second conductive material that fills in the contact hole in the second insulating film; and wherein a gap or clearance is defined between the first and second insulating layers adjacent an area where the conductive materials are solid state bonded to one another, and wherein no material is provided in the gap or clearance between the first and second insulating layers" for claim 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
